

"THIS IS MY
SAVING
GRACE."

KRI
1 YEAR
ON PrEP

I TAKE PrEP AND
I'M READY
TO PREVENT HIV.

PrEP is a daily pill to prevent people without HIV from getting HIV. Ready, Set, PrEP provides free PrEP to people without prescription drug coverage who test negative for HIV and have a prescription from a healthcare provider.

→ Go to ReadySetPrEP.hiv.gov to see if you qualify for free PrEP.

Ending
the
HIV
Epidemic
